

GRAY-NICOLLS ULTRA LIGHT BATTING GLOVES - JUNIOR Y - RH

Description:

This modern batting glove offers a sleek design with 16 pre-curved sections that ensure both flexibility and a natural fit. The combination of high and low density foam delivers excellent shock absorption and reduces vibration on impact. A super-flex two-piece thumb provides added comfort and freedom of movement, while the quality leather palm with wear patch enhances durability. Mesh gussets improve airflow, and dual-sided sweatbands help manage moisture, keeping hands cool and dry throughout the game.
